

Reduce, Reuse, Repair, Recycle, Resist

- **Reduce:** Do you really need more stuff? Would spending your time and money with friends and family be better?
- **Reuse:** Instead of buying new, why not try Vintage, Secondhand or Charity shops (see overleaf)?
- **Repair:** Keep things going for longer, Banbury shed can advise on repairs and help you fix it.
- **Recycle:** If you have items you no longer need - donate to a local Charity Shop (see overleaf).
- **Resist** Use your voice to encourage others - share this leaflet.
